Also.... I am not sure if you got my out of office or not... but I was out the last two weeks except for a few hours on 7/1 and 7/5. Sorry for the delay in response.

Hi Jane –

Thanks for your email, I am always free to chat. However, I don't feel I will be of much use.... When DTSC took over the facility work I transitioned off the project. Also I am not involved in anything regarding the listing decisions. Nicole Moutoux would be an excellent person to discuss that process with you! Would you like me to have her contact you?

Amanda,

Could we make a time to talk about the Exide issues this week. I understand that there is an effort to add it to the NPL list.

Thanks!
